

First IAA International Conference
IMPACT OF SPACE ON SOCIETY

17-19 March 2005, Budapest, Hungary

FINAL PROGRAMME

Welcome

Kovács Kálmán; Vizi E Szilveszter

Development of the Book: "Impact of Space Activities upon Society"

Swan, Peter; Swan, Cathy; Raitt, David and Woods, Arthur

Space, Water and Society

Lichem, Walter

Space Education and the Impact on Japanese Society

Matogawa, Yasunori

The Impact of Space Technologies upon Society

Raitt, David

The United Nations Program on Space Applications (PSA)

Lee, Alice

An Analysis of the Foundations of Space Activities in France and in Europe

Brachet, Gerard

Multilingualization of IAA Website

Contant, Jean-Michel; Ninomiya, Keiken and Yoshimitsu, Tetsuo

Communication Research for NASA's Planetary Protection Program

Billings, Linda

From O.U.R.S. to S.E.E.D.S: A 20-Year Exploration of the Cultural Dimensions of Outer Space

Woods, Arthur

The Influence of Space Activities in Architecture and Applied Designs

von Bengston, Kristian and Jürgesen, Jesper

Visions of Space: Artists' Journey through the Cosmos

Szathmary, Kara

Evaluation of the Impact of Space on Society as an Asset in the Decision Making Process of the Italian Space Agency

Fiumara, Alessandra; Morsillo, Giuseppe and Lamanna, Alfonso

With or Without Space Activity

Ferencz, Csaba

Space Exhibitions and Technology Fairs

Jukola, Paivi

Space Themed Videogames: An Effective Way to Convey Inspiration and Education to Space

Scatteia, Luigi and Fulco, Ivan

To Control All Under Heaven: An Emerging Pattern of Cooperation in Space After the Cold War
Bolton, Iain Ross

Discover Space Science, New European Countries and New Friends
Attolico Fejér, Susanna

Cyberethics: "I, Robot" Not Yet!
Marshall, John

Atmosphere: a Versatile Medium Coupling Space and Society
Mika, János

IAA Multilingual Space Dictionary System
Yoshimitsu, Tetsuo; Ninomiya, Keiken; Hashimoto, Tatsuaki; Tohara, Kazuyuki; Ayabe, Kenji and Fukuda, Yoshiya

Performance as Space Art
Kevles, Bettyann

Connecting Space Programs and Human Society by Space Renshi
Yamanaka, Tsutomu

Space Exploration and Sacred Art
Pop, Virgiliu

Space Science, Philosophy and Policy
Bullock, Mark; Frodeman, Robert; Holbrook, Britt

The New Art Education on Environment of Microgravity
Osaka, Takuro

Microgravity Oddity
Maugery, Ariane

Putting the Science in Fiction (Vernian Traditions in 20th Century Hungarian SF)
Németh, Attila

The Project Aer()sculpture
Michaloudis, Iannis

Thinking Earth
Marsiske, Hans-Arthur

Towards an Anthropology of Space
Blassnigg, Martha

Status and Perspectives of Russian-European Cooperation in Space
Teselkin, Sergey and Drescher, Juergen

Web-Based Knowledge-Sharing Portal on Space Applications for Development: Bridging the Gap Between "Space" and "Development" Communities
Afrin, Nadia

Poster presentation

Terminology: a Bridge Between Space and Society
Almár, Iván

The Online Space Museum
Kudryavcheva, Lyubov

Restoration and Exhibition of Returned Japanese Reusable Satellite Called SFU in The National Science Museum
Shimizu, Yukio

Space Progress: the Impact in Sociological and Philosophical Context
Albanesi, Cesare; Piperno, Walter and Rubini, Danilo

New Technologies for Teaching Space: New Initiatives for Teaching Space Law in Europe
Caparrós, R, Velasco, T.

The Social Construction of Space and Ethics
Punt, Michael

Impact of Socially Beneficial Services on Space Activities
Spillantini, Piero

Global Foresight of Climatic and Socio-economic Changes: a View from Space
Lyalko, Vadim

Closing Remarks

Space Research as Factor of Global Impact on World Outlook
Smakhtin, Andrey; Chuyan, Rostislav

From Space Research to Polymers production
Taillet, Joseph

Monitoring of Extreme Flood Events in Romania and Hungary Using EO Data
Kerényi, Judit

Space Energy Potential and Modern Space Engineering - Security of World Sustainable Development
Chuyan, Rostislav; Kvasnikov, Leonid and Smakhtin, Andrey

Laboratory-Based Space Systems Development at Tokyo Institute of Technology
Saburo, Matunaga

The Influence of Jules Verne on the Public and Space Community
Villain, Jacques

Space as Projection-Screen for Hero Myths - Godard's Science-Fiction Film "Alphaville" as Cultural Critique
Morein, Andrea

First Hungarian Space Mission Simulator
Horváth Márk

Bridging Space and Education in Romania
Stavinschi, Magda

The Space File at Tunisia World Summit on the Information Society (WSIS)
Masmoudi, Mustapha

The Potential of New Media in The Marketing of Space
Scatteia, Luigi

The Names in Space - the Way of Advertising Astronomy and Space Exploration
Yatskiv, Yaroslav and Vavilova, Iryna

How Maps Shape our View on Planets
Hargitai, Henrik

The Frontier or the Wilderness? The Rhetoric of Space Exploration
Billings, Linda

Space Activities Under the Conditions of Globalization: Methodology, Organizing Principles,
Efficiency
Dyachuk, Irina and Kopyl, Olga

Seven Enigmas: Performance Celebrating the Universe Outside and Within
Cogswell, Jim
